

Project Group Evaluation

Evaluator: David Pick Date: 5/21/2009

I **do**/do not want this information shared with my team members.

Provide brief comments on **both** the strengths and weakness of each member ***excluding yourself.***

Member Name: Troy Reilly

Troy knew the material very and was able to understand how the project was supposed to work on a conceptual level very well.

Member Name: Robert Pienta

Robert is a very strong coder, who understands pointers well. This was invaluable to the group while writing the code for the project.

Estimate the overall contribution (should total to 100%) of each team member ***including yourself.***

Name	Contribution
Troy Reilly	40.00%
David Pick	40.00%
Robert Pinta	20.00%

Rank each team member from 0 (low) — 4 (high) in the following categories ***including yourself:***

Category	Name		
	David Pick	Troy Rielly	Robert Pinta
Responsiveness	4	4	4
Dependability	4	4	4
Meeting Deadlines	4	4	4
Positive Attitude Approach	4	4	4
Creativity	4	4	4
